

We understand that parking at UAB can be quite competitive. However, there are several lots around the CRCT that allow the general public to park for no cost during all hours of operation.

The most convenient parking lot is the 9th Ave. Parking Deck located on 16th Street South directly adjacent to the CRCT. The bottom floor of this deck is public parking, available to CRCT members at no cost after your parking ticket is validated. See front desk for details. In addition, all employees who park in facilities with access cards – other than 9th Avenue deck - will have night/weekend access added to their card. It will be valid at the 9th Ave entrance after 4 pm on weekdays and all day on weekends.

Other lots that open up at no cost after 4:00 p.m. and before 6:30 a.m. and all weekend include Lot 5A (directly across University Blvd) and all lot 15 parking lots and decks.
